PLACE
ACQUIRED

DATE OF
INFO.

1. In the village of Luki, Nevrokop, the houses of interned residents are being used as storehouses for grain and various foodstuffs. The local villagers rumor that these foodstuffs are being stored for use of troops in time of war.
2. [REDACTED] all the villagers from the villages around Luki were forced to work ten days each on trenches and holes on Hill 1149, located two kilometers southeast of Luki. These trenches and holes were not more than three feet deep.

This document is hereby regraded to **CONFIDENTIAL** in accordance with the letter of 13 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
